

Police Survey

The Village of Glen Park Police Department invites you to take this Community Survey on Public Safety and Law Enforcement. It will take approximately 5 minutes of your time and is completely confidential. Your participation will help the Village Police Department to improve services, processes, and reputation.

The survey is designed for the Village Police Department to gather opinions and experiences from members of the community. The survey addresses 5 key components that involve the Village Police Department: Community Involvement, Safety, Procedural Justice, Performance, Contact and Satisfaction.

You may come into contact with multiple law enforcement agencies, but please answer the questions thinking only about the VILLAGE OF GLEN PARK POLICE DEPARTMENT.

Please indicate your response to each item by selecting the appropriate answer based on your feelings, opinions, and experiences. You may skip any survey question you do not feel comfortable responding to or know how to answer, but we encourage you to respond to as many items as possible. This is not a test, and there are no right or wrong answers. Please answer each question honestly.

This survey was developed by the US Department of Justice, Office of Community Oriented Policing Services (COPS Office) with the support of ICF International and law enforcement experts.

Thank you in advance for your input.
